

POLYKEM S.A. 111 Leukis St. 14568, Krioneri
11
0654-CPD-0030
External Thermal Insulation System: **KELYFOS**

ETA - 11/0387
ETAG No004:2000
Fire: EUROCLASS B (EN13501-1)

EC DECLARATION OF CONFORMITY

In accordance with the Directive 89/106/EEC
(CPD - Construction Products Directive)
as amended by the Directive 93/68/EEC

Producer

POLYKEM S.A

LEFKIS 111, KRIONERI 14568, HELLAS

declares that the product External Thermal Insulation Composite System (ETICS)
with rendering on extruded polystyrene

KELYFOS

Intended for use on new or existing external vertical masonry, concrete and dry walls
is in conformity

**with the requirements of the European Technical Approval No. 11/0387 issued on the
08/11/2011, valid until the 07/11/2016.**

Information on the product application method and limitations of its installation into the building are given by the producer in the instructions for Designing of ETICS and Instructions for Assembly of ETICS, in the Technical Datasheets of Individual material Components, and in technological instructions on packages. The system application has to respect national regulations relating especially to thermal protection, fire safety and anchorage.

This EC Declaration of Conformity is issued on the basis
of the EC Certificate of Conformity No. 0654-CPD-0030 dated the 23rd May 2011,
issued by TUV HELLAS based in Athens, Greece as the notified body No. 0654

Athens, on the 23/05/2011
