Web site: www.polykem.gr
E-mail: info@polykem.gr

We declare that the Products:

- ❖ Composite thermal insulated tiles made of concrete and extruded polystyrene, under the brand names: POLYTILE & KELYFOS R.T.

are in compliance with the Directive 89/106/EEC of 21 December 1988, amended by the Directive 93/68/EOK of 22 July 1993 and follow the system of attestation of conformity 4 (Anexx II.2(ii) third possibility),

and are manufactured according to the Standards:

- Concrete paving flags - Requirements and test methods: EN 1339:2003 & EN 1339:2003/AC:2006
- Thermal insulation products for buildings - Factory made products of extruded polystyrene foam (XPS) - Specification: EN 13164:2008

The laboratory tests and the initial type tests (ITT) of products' technical specifications were measured according to the following standards:

ELOT EN 1339:2003 & EN 1339:2003/AC:2006

ISO EN 17025

The tests were performed at the production control laboratory of the company «POLYKEM S.A.» with calibrated equipment, according to the documented quality control system of the production.

The conformity of the products is documented with Technical File.

Krioneri Athens, December 2012
